

Parachute - Something To Believe In

Tom: D
Intro: D D C G
D D C G

D C G D
You wake up every morning looking for your answer

G D C G D C
You're waiting for your si__gn, while jeremiah's on his way to tell the people

D C G
But you watch him pass you by__y

(D D C G)

D C G D
You walk the streets at night still looking for your reason, but you don't want to try__y

D C G D
You swear the world has got you backed into a corner

D C G
But no one holds your hand to walk into a fight

A G
You swear the light is gonna find you

A C G
But it can't find you if you're waiting all the time

D C G
You say, ?keep my head from going down? / just for a little, just for a little

D C G
Watch my feet float off the ground, just for a little, just for a little

D C G D
A little love if you can hear this sound, oh just give me somethi__ng something to believe in

(D D C G)

D C G D
You spend your days alone still hoping for the truth, oh, but

all you hear are li__es

D C G
But no one else is going to tell you what to do now

D C G
No one else is going to help you hold the line

A G
Sometimes it's hard to keep on living

A C G
But you're the one who's go to know just when it's right

D C G
You say, ?keep my head from going down? / just for a little, just for a little

D C G
Watch my feet float off the ground, just for a little, just for a little

D C G D
A little love if you can hear this sound, oh just give me somethi__ng something to believe in

(D D C G)
(D D C G)

D C G D C G
Love, come take me now, love, come take me

D C G D C G
Love, come take me now, love, come take me, take me now

D C G D C G
Come take me, take me now, come take me, take me now

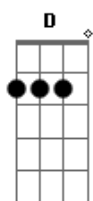

D C G
Come take me, take me now

D C G
You say, ?keep my head from going down? just for a little, just for a little

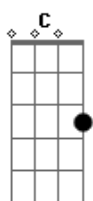

D C G
Watch my feet float off the ground, just for a little, just for a little

D C G D
A little love if you can hear this sound, oh just give me somethi__ng something to believe in
