

Parafusa - Zamba

Tom: G

É...se fosse fácil assim pra mim

não sei porque se é assim

mas é, mas é

É... me faz sofrer sem nem saber

então me toma em si sem perceber

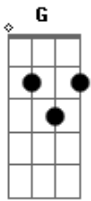

- que tudo que você precisa sou eu - (2x)

eu só queria que você me "coisasse?"

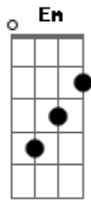

e que depois você me lalaiá laiá

não tão depois a gente se interligasse
ai ai ai ai
