

# Paramore - Adore

Tom: C  
Intro: D D D D

I don't mean to run  
But Every time you come around  
I Feel more alive, than ever  
And I guess it's too much  
Maybe we're too young  
And I don't even know what's real  
But I know I never...  
Wanted anything so bad  
I've never wanted anyone so bad

If I let you love me  
Be the one adored  
Would you go all the way  
Be the one I'm looking for  
If I let you love me (If I Say)  
Be the one Adored (It's OK)  
Would you go all the way (You can stay)

Be the one I'm looking for  
Help me come back down  
From high above the clouds  
You know I'm suffocating, But I blame this town  
Why do I deny  
The things that burn inside,  
Down deep I'm barley breathing  
But you just see a smile  
And I don't wanna let this go  
Really I just want to know

If I let you love me  
Be the one adored  
Would you go all the way  
Be the one I'm looking for  
If I let you love me (If I Say)  
Be the one Adored (It's OK)  
Would you go all the way (You can stay)  
Be the one I'm looking for
