Paramore - Adore

Tom: C
Intro: D D D D

```
                   D
I don't mean to run
   D          D
But Every time you come around
  D     Em7         C        D
I Feel more alive, than ever
D                    D
And I guess it's too much
D              D
Maybe we're too young
        D                  Em7
And I don't even know what's real
       C
But I know I never...
A                  G
Wanted anything so bad
A                        C
I've never wanted anyone so bad

D
If I let you love me
G
Be the one adored
                C
Would you go all the way
F         G
Be the one I'm looking for
D
If I let you love me (If I Say)
G
Be the one Adored (It's OK)
              C
Would you go all the way (You can stay)
F         G              D   D  D D
```

```
Be the one I'm looking for

                      D
Help me come back down
     D          D
From high above the clouds
              D       Em7            C   D
You know I'm suffocating, But I blame this town
D     D
Why do I deny
     D              D
The things that burn inside,
              D
Down deep I'm barley breathing
       Em7            C
But you just see a smile
A                        G
And I don't wanna let this go
A                    C
Really I just want to know

D
If I let you love me
G
Be the one adored
                C
Would you go all the way
F         G
Be the one I'm looking for
D
If I let you love me (If I Say)
G
Be the one Adored (It's OK)
                C
Would you go all the way (You can stay)
F         G        D  (play the D chord only at the end of
the song)
Be the one I'm looking for
