

Paramore - Adore

Tom: C
Intro: D D D D

I don't mean to run
But Every time you come around
I Feel more alive, than ever
And I guess it's too much
Maybe we're too young
And I don't even know what's real
But I know I never...
Wanted anything so bad
I've never wanted anyone so bad

If I let you love me
Be the one adored
Would you go all the way
Be the one I'm looking for
If I let you love me (If I Say)
Be the one Adored (It's OK)
Would you go all the way (You can stay)

Be the one I'm looking for
Help me come back down
From high above the clouds
You know I'm suffocating, But I blame this town
Why do I deny
The things that burn inside,
Down deep I'm barley breathing
But you just see a smile
And I don't wanna let this go
Really I just want to know

If I let you love me
Be the one adored
Would you go all the way
Be the one I'm looking for
If I let you love me (If I Say)
Be the one Adored (It's OK)
Would you go all the way (You can stay)
Be the one I'm looking for
