

## **Paramore - Adore**

```
Intro: D D D D
I don't mean to run
But Every time you come around D Em C D
I Feel more alive, than ever
And I guess it's too much
D D
Maybe we're too young
And I don't even know what's real
But I know I never...
Wanted anything so bad
I've never wanted anyone so bad
If I let you love me
Be the one adored
Would you go all the way
Be the one I'm looking for
If I let you love me (If I Say)
Be the one Adored (It's OK)
Would you go all the way (You can stay)

G D D D D
```

```
Be the one I'm looking for
Help me come back down
   D D
From high above the clouds
    D Em
You know I'm suffocating, But I blame this town
Why do I deny
The things that burn inside,
Down deep I'm barley breathing
But you just see a smile
And I don't wanna let this go
Really I just want to know
If I let you love me
Be the one adored
Would you go all the way
Be the one I'm looking for
If I let you love me (If I Say)
Be the one Adored (It's OK)
Would you go all the way (You can stay)
        G D (play the D chord only at the end of
the song)
Be the one I'm looking for
```
