

# Paramore - Ain't It Fun

Tom: E  
Intro: (Riff Principal)

## Primeira Parte:

I don't mind  
Letting you down easy  
But just give it time  
If it don't hurt now  
Then just wait  
Just wait a while  
You're not the big fish in the pond  
No more  
You are what they're feeding on

So what are you gonna do  
When the world don't orbit around you?

So what are you gonna do  
When the world don't orbit around you?

## Segunda Parte:

Where you're from?  
You might be the one  
Who's running things  
Well, you could ring anybody's bell  
And get what you want  
You see it's easy to ignore  
A trouble  
When you're living in a bubble

So what are you gonna do  
When the world don't orbit around you?

So what are you gonna do

When nobody wants to fool with you?
