

Paramore - Ain't It Fun

Tom: E
Intro: (Riff Principal)

Primeira Parte:

I don't mind
Letting you down easy
But just give it time
If it don't hurt now
Then just wait
Just wait a while
You're not the big fish in the pond
No more
You are what they're feeding on

So what are you gonna do
When the world don't orbit around you?

So what are you gonna do
When the world don't orbit around you?

Where you're from?
You might be the one
Who's running things
Well, you could ring anybody's bell
And get what you want

So what are you gonna do
When the world don't orbit around you?
