

Paramore - Another Day

Tom: E

E B Db A
And if you listen to me: I miss you
E B Db A
And if you hear me now: I need you
E B Db A
Where did you go cause you're not gone
E B Db A
Everyone knows that something is wrong
E B Db A
The wires were cut and I'm alone

E
I know we're getting closer
E Db
I know you're coming back for me this time
Db
This time

Chorus
A E Gb
And do you ever want me?
A E Gb
Do you ever need me?
A E Gb
I know that you left before goodbye
A E Gb Ab A
And it's okay, there's always another day
A E Gb
And any time you want me
A E Gb
Any time you see me
A E Gb
I don't think you meant to say goodbye
A E Gb Ab A
But it's okay, there's always another day

E B Db A
Your voice comes in and now it's fading
E B Db A
I can't believe this, is so frustrating
E B Db A
Cause you never seems to understand
E B Db A
And you let me slip straight through your hands
E B Db A
And how does it feel to be alone?

E
I know we're getting closer
E Db
I know you're coming back for me this time
Db
This time

Chorus
A E Gb
And do you ever want me?
A E Gb
Do you ever need me?
A E Gb
I know that you left before goodbye
A E Gb Ab A
And it's okay, there's always another day
A E Gb
And any time you want me
A E Gb
Any time you see me
A E Gb
I don't think you meant to say goodbye
A E Gb Ab A
But it's okay, there's always another day

Ponte
B Db
If you ever find what you were looking for
A A
I will be waiting there, I will be there
Chorus
A E Gb
And do you ever want me?
A E Gb
Do you ever need me?
A E Gb
I know that you left before goodbye
A E Gb Ab A
And it's okay, there's always another day
A E Gb
And any time you want me
A E Gb
Any time you see me
A E Gb
I don't think you meant to say goodbye
A E Gb Ab A
But it's okay, there's always another day
