

Paramore - Brick

```
Tom: Eb
                                                                   Well make sure to build your home brick by boring brick
                                                                   Or the wolves gonna blow it down?
   (verse)
                                                                   (pre-chorus)
(pre-chorus)
                                                                                                                     \mathsf{Cm}
                                                                                                          Ab
                                                                   Keep your feet on the ground?
                                                                                                                      Cm
                                                                                                           Ah
(chorus)
                                                                   When your head?s in the clouds?
                                                                   (chorus)
(bridge)
                                                                   Well go get your shovel?
(outro)
                                                                   And we'll dig a deep hole?
                                                                   To bury the castle
(intro 2x) (Fm Eb Ab)
                                                                   Fh
                                                                   Bury the castle?
n.c
                                                                   Well go get your shovel?
She lives in a fairy tale?
Somewhere too far for us to find?
                                                                   And we'll dig a deep hole?
Forgotten the taste and smell?
Of the world that she's left behind?
                                                                   To bury the castle
                                                                   Bury the castle?
It's all about the exposure the lens i told her?
                                                                   (bridge) (not so sure about this part)
                                                                   Bb Ab Eb Cm
Bb Ab Eb Fm
The angles were all wrong now?
                                                                   Well you built up a world of magic?
Because your real life is tragic?
She's ripping wings off of butterflies?
                                                                   Yeah you built up a world of magic?
9pre-chorus)
Eb
                                       Eb
                                                  \mathsf{Cm}
                                                                   (pre-chorus 2)
Keep your feet on the ground?
                                        Fb
                                                                   If it's not real?
                                                  Cm
When your head?s in the clouds?
                                                                   You can't see it with your eyes?
(chorus)
                                                                   You can't feel it with your heart?
Well go get your shovel?
                                                                   And i won't believe it
And we'll dig a deep hole?
                                                                   Cause if it's true?
Ab
To bury the castle
Bury the castle?
                                                                   You can see it with your eyes?
Well go get your shovel?
                                                                   Even in the dark?
And we'll dig a deep hole?
                                                                   And that's where i want to be yeah?
To bury the castle
                                                                   (chorus)
Eb
                                                                   Ab
                                                                   Well go get your shovel?
Bury the castle?
Ba da ba ba da ba?ba-ah
                                                                   And we'll dig a deep hole?
( Ab Fm Eb Ab )
                                                                   To bury the castle
                                                                   Fh
(verse)
                                                                   Bury the castle?
n.c
So one day he found her crying?
                                                                   Well go get your shovel?
Coiled up on the dirty ground?
Her prince finally came to save her?
                                                                   And we'll dig a deep hole?
And the rest you can figure out?
                                                                   To bury the castle
But it was a trick?
                                                                   Bury the castle?
And the clock struck 12?
                                                                   (outro)
