

Paramore - Crave

tom:

Db (forma dos acordes no tom de A)

Capostrate na 4ª casa

[Primeira Parte]

I can't wait to memorize this day
 Oh, a picture could not contain the way it feels
 You say, "Live in the present"
 I'm already dreaming of how it begins
 And trying to savor the moment
 But I know the feelin' will come to an end

[Refrão]

So I crave, crave
 To do it again, all again
 Crave, crave
 To do it again, ah
 Just for a second, it all felt simple
 I'm already missing it
 So I crave, crave
 To do it again, all again

[Segunda Parte]

I romanticize even the worst of times
 When all it took to make me cry was being alive
 Look up and see a reflection
 Of someone who never gave way to the pain
 What if I told 'em that now that I'm older

There isn't a moment that I'd wanna change

[Refrão]

Now I crave, crave
 To do it again, all again
 Crave, crave
 To do it again, ah
 Just for a second, it all felt simple
 I'm already missing it
 So I crave, crave
 To do it again, all again

(Em D C D)

[Ponte]

Any second, feel the present
 Future and the past connecting
 Any second, feel the present
 Future and the past connecting

[Refrão]

Crave, crave
 To do it again, to do it all again
 Crave, crave
 To do it again, ah
 Just for a second, it all felt simple
 I'm already missing it
 So I crave, crave
 To do it again, all again
