

# Paramore - Escape Route

Tom: Db

Db Gb  
I've got a life

Ab  
Out there somewhere

Bbm  
It's waiting

Db Gb  
Lined with palmtrees

Bbm Db  
And only new faces

Db Gb  
If I could look past

Ab Bbm  
The present and get there

Db Gb  
Well baby it's worth the

Bbm Db Db Gb  
Shot Just enough time

Ab Bbm  
To plan an escape route

Db Gb  
I put my map on the

Ab Db  
Wall in the basement

Db Gb  
Not quite a victory to

Ab Bbm  
Run from your problems

Db Gb  
But it's the only

Ab Db  
Plan that I got

Db Gb  
It's the only

Ab Db  
Plan that I got

Ab Db  
And if you try to

Ab Bbm Fm  
Find me now (oh oh oh oh)

Db Gb  
I'm in all the echoes

Ab  
That have faded out

Db Gb  
So I'm moving on cause I

Bbm Ab  
Just want to feel for

Db Db Gb  
Once that I belong

Ab  
And that's what's going

Db Gb Ab  
On that's

Bbm Db Gb Ab Db  
What's going on

Db Gb  
Cross the state line

Ab  
And called out a warning

Db  
Not too long now I'll

Ab Gb  
Breathe California

Db Gb  
Paid my dues and

Ab Bbm  
I'll try to be loyal

Db Gb  
But now I'm done

Bbm Db  
With all that

Db Gb  
Where I'm going is

Ab Bbm  
Everyone's story

Db Gb  
We want you left

Ab Db  
We're left to start over

Db Gb  
It's not a question

Ab Bbm  
Of who are we really

Db Gb Ab Db  
It's who we wanna be

Ab Db  
And if you try to

Ab Bbm Fm  
Find me now (oh oh oh oh)

Db Gb  
I'm in all the echoes

Ab  
That have faded out

Db Gb  
So I'm moving on cause I

Bbm Ab  
Just want to feel for

Db Db Gb  
Once that I belong

Ab  
And that's what's going on

Bbm Gb Db  
All that's in between a

Bbm Gb Db  
Brand new life and I this time

Bbm Ab  
But time has not been kind

Db Db  
It's not been kind to me

Ab  
It's winding backwards

Bbm Ab  
Time has not been kind

Db Gb  
It's crawling by so slowly

Ab Db  
And if you try to

Ab Bbm Fm  
Find me now (oh oh oh oh)

Db Gb  
I'm in all the echoes

Ab  
That have faded out

Db Gb  
So I'm moving on cause I

Bbm Ab  
Just want to feel for

Db Db Gb  
Once that I belong

Ab  
And that's what's going on

Ab Db  
And if you try to

Ab Bbm Fm  
Find me now (oh oh oh oh)

Db Gb  
I'm in all the echoes

Ab  
That have faded out

Db Gb  
So I'm moving on cause I

Bbm Ab  
Just want to feel for

Db Db Gb  
Once that I belong

Ab  
And that's what's going on

Ab Db Gb Ab Db  
And that's what's going on
