 You hurt me bad this time, no coming back

 And I cry 'till I couldn't cry, another heart attack  
 Gbm G A  
 If I lay on the floor, maybe I'll wake up  
 D A  
 And I don't pick up when you call  
 G D A G  
 'Cause your voice is a gun  
 Gbm G  
 Every word is a bullet hole  
 Shot a hole in the sun  
 Gbm G A  
 If I never look up maybe I'll never notice

 There's still a thread that runs from your body to mine  
 Gbm G A  
 And you can't break what you don't see, an invisible line  
 Gbm G A  
 If I follow it down would we just be alright?  
 D A G D A G  
 But it could take me all your life to learn to love

 How I thought I could love someone

 I haven't even begun

 If it's all up to us we might as well give up
