You hurt me bad this time, no coming back
Gbm

                  G

If I lay on the floor, maybe I'll wake up
D
                           Α
And I don't pick up when you call
 G
                      DAG
'Cause your voice is a gun

  Gbm
                  G
And you can't break what you don't see, an invisible line
 Gbm
                        G
                                    Α

                                                 DAG
But it could take me all your life to learn to love
         Gbm
                         G
How I thought I could love someone
G
I haven't even begun
                    G
Gbm
If it's all up to us we might as well give up
```
