

Paramore - Grow Up

Tom: **D**

D
I told 'em all where to stick it
I left town with a dime to my name
G
Said I'm done with all of my fake friends

D
Got my band and a light that won't go out
Been burning since the day I was born
G
So I cry just little then I'll dry my eyes
Em
'Cause I'm not a little girl no more

CHORUS:

D **Bm**
Some of us have to grow up sometimes
G **Em**
And so, if I have to, I'm gonna leave you behind
D **Bm**
Some of us have to grow up sometimes
G **D**
And so, if I have to, I'm gonna leave you behind

D
Stood in line for so long, it's a picket
Something I will never understand
G
I'm too tired of always being mad at the world
Em
Won't you just admit you don't care

D
Lady I don't want your pity
So don't feel sad for me
G
I got a love I would die for and a song to sing
Em
Maybe we're both just living out our dreams

CHORUS:

D **Bm**
Some of us have to grow up sometimes
G **Em**
And so, if I have to, I'm gonna leave you behind
D **Bm**
Some of us have to grow up sometimes
G **D**
And so, if I have to, I'm gonna leave you behind

Bridge:

G
We get along for the most part
Em **Bm**
Me and reality, the light and the dark
G
And we live alone
In two different worlds
Em
Me and a fantasy,
Bm
And you and your memories

G
But we get along
We get along
Em
For the most part
Bm
We get along
G
Yea, for the most part
We get along
Em
For the most part
Bm
We get along
G
We get along
Em
We get along

CHORUS:

D **Bm**
Some of us have to grow up sometimes
G **Em**
And so, if I have to, I'm gonna leave you behind
D **Bm**
Some of us have to grow up sometimes
G **D**
And so, if I have to, I'm gonna leave you behind

D **Bm**
Some of us have to grow up sometimes
G **Em**
And so, if I have to, I'm gonna leave you behind
D **Bm**
Some of us have to grow up sometimes
G **D**
And so, if I have to, I'm gonna leave you behind
