

Paramore - Grow Up

```
Tom: D
  D
I told 'em all where to stick it
I left town with a dime to my name
Said I'm done with all of my fake friends
     D
Got my band and a light that won't go out
Been burning since the day I was born
So I cry just little then I'll dry my eyes
'Cause I'm not a little girl no more
CHORUS:
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Stood in line for so long, it's a picket
Something I will never understand
I'm too tired of always being mad at the world
          Fm
Won't you just admit you don't care
    D
Lady I don't want your pity
So don't feel sad for me
I got a love I would die for and a song to sing
Maybe we're both just living out our dreams
CHORUS:
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
```

Acordes

```
Bridge:
We get along for the most part
Me and reality, the light and the dark
And we live alone
In two different worlds
          Fm
Me and a fantasy,
And you and your memories
But we get along
We get along
        Em
For the most part
        Bm
We get along
Yea, for the most part
We get along
        Em
For the most part
We get along
We get along
We get along
CHORUS:
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
Some of us have to grow up sometimes
And so, if I have to, I'm gonna leave you behind
