

# Paramore - Idle Worship

Tom: Eb

(com acordes na forma de D )

Capostrate na 1ª casa

Verso 1:

D  
Standing here like I'm supposed to say something  
Gbm  
Don't hold your breath, I never said I'd save you, honey  
G  
And I don't want your money. If I was you, I'd run from me  
A  
or rip me open. You'll see you're not the only one who's  
hopeless.  
D  
Be sure to put your faith in something more  
Gbm  
I'm just a girl and you're not as alone as you feel  
G  
We all got problems, don't we? We all need heroes, don't we?  
A  
But rest assured, there's not a single person here who's  
worthy

Pré-Refrão:

D D Gbm  
La, la la la la la la  
N.C.  
Don't let me let you down

Refrão:

G D A G  
Hey baby, I'm not your superhuman  
D A  
And if that's what you want  
G  
I hate to let you down  
A  
I got your hopes up  
G  
Now I got you hoping  
A  
That I'm gonna be the one to let you down

Verso 2:

D  
Oh, it's such a long and awful lonely fall  
Gbm  
Down from this pedestal that you keep putting me on  
G  
What if I fall on my face? What if I make a mistake?  
A  
If it's okay a little grace would be appreciated  
D  
Remember how we used to like ourselves?  
Gbm  
What little light that's left, we need to keep it sacred  
G  
I know that you're afraid to let all the dark escape ya

A  
But we can let the light illuminate these hopeless places
