[Primeira Parte]

Em **D**
I'm in the business of misery, let's take it from the top
Em **C**
She's got a body like an hourglass that's ticking like a clock
Em **D**
It's a matter of time before we all run out
Em **C**
When I thought he was mine, she caught him by the mouth
Em
I waited eight long months
D
She finally set him free
Em **C**
I told him I couldn't lie, he was the only one for me
Em **D**
Two weeks and we had caught on fire
Em **C**
She's got it out for me, but I wear the biggest smile
(**Em D**)

[Chorus]

C **G** **D**
Whoa... Well i never meant to brag
Em **D**
But I got him where I want him now
C **G** **D**
Whoa... it was never my intention to brag
Em **D**
To steal it all away from you now
C **D**
But God does it feel so good
'Cause I got him where I want him now
C **D**
And if you could then you know you would
'Cause God it just feels so
Em D **Em C**
It just feels so good

[Segunda Parte]

Em **D**
Second chances: they don't ever matter, people never change
Em **C**
Once a whore, you're nothing more, I'm sorry that'll never change
Em **D**
And about forgiveness, we're both supposed to have exchanged
Em **C**
I'm sorry honey, but I'm passing up, now look this way
Em **D**
Well there's a million other girls who do it just like you
Em **C**

Looking as innocent as possible to get to who
Em **D**
They want and what they like, it's easy if you do it right
Em **C**
Well I refuse, I refuse, I refuse!

(**Em D**)

C **G** **D**
