[Primeira Parte]

Em D  
I'm in the business of misery, let's take it from the top  
Em C  
She's got a body like an hourglass that's ticking like a clock  
Em D  
It's a matter of time before we all run out  
Em C  
When I thought he was mine, she caught him by the mouth  
Em  
I waited eight long months  
D  
She finally set him free  
Em C  
I told him I couldn't lie, he was the only one for me  
Em D  
Two weeks and we had caught on fire  
Em C  
She's got it out for me, but I wear the biggest smile

( Em D )

[Chorus]

C G D  
Whoa... Well i never meant to brag  
Em D  
But I got him where I want him now  
C G D  
Whoa... it was never my intention to brag  
Em D  
To steal it all away from you now  
C D  
But God does it feel so good  
C D  
'Cause I got him where I want him now  
C D  
And if you could then you know you would

'Cause God it just feels so  
Em D Em C  
It just feels so good

[Segunda Parte]

Em D  
Second chances: they don't ever matter, people never change  
Em C  
Once a whore, you're nothing more, I'm sorry that'll never change  
Em D  
And about forgiveness, we're both supposed to have exchanged  
Em C  
I'm sorry honey, but I'm passing up, now look this way  
Em D  
Well there's a million other girls who do it just like you  
Em C

Looking as innocent as possible to get to who  
Em D  
They want and what they like, it's easy if you do it right  
Em C  
Well I refuse, I refuse, I refuse!

( Em D )

C G D  
Whoa... Well i never meant to brag  
Em D  
But I got him where I want him now  
C G D  
Whoa... it was never my intention to brag  
Em D  
To steal it all away from you now  
C D  
But God does it feel so good  
'Cause I got him where I want him right now  
C D  
And if you could then you know you would  
'Cause God it just feels so
