Em D
But I got him where I want him now
C G D
Whoa... it was never my intention to brag
Em D
To steal it all away from you now
C D
But God does it feel so good
C D
'Cause I got him where I want him now

And if you could then you know you would

'Cause God it just feels so

Second chances: they don't ever matter, people never change

I'm sorry honey, but I'm passing up, now look this way
Em D
Well there's a million other girls who do it just like you
