

# Paramore - Misguided Ghost

Tom: C  
Intro: Am A Am A G Em G Em (2x)

Am A  
I'm going away for a while  
Am A G  
But I'll be back, don't try to follow me  
Em  
'cause I'll return as soon as possible  
Am A  
See I'm trying to find my place  
Am A G  
But it might not be here that I feel safe  
Em  
We all learn to make mistakes

Am A  
And run  
G  
From them  
F  
From them  
G  
With no direction  
Am A G F  
Run from them, from them  
G  
With no conviction

Am G Em F  
I'm just one of those ghosts  
Am G Em F  
Travelling endlessly  
Am G Em F  
Don't need no road  
Am G Em F  
In fact they follow me  
G F  
And we just go in circles

Am A  
But now I told that this life  
Am A G  
And pain is just a simple compromise

Em  
So we can get what we want out of it  
Am A  
Would someone care to classify,  
Am A  
A broken hearts and twisted minds  
G Em  
So I can find someone to rely on

Am  
And run  
A G F  
To them, to them  
G  
Full speed ahead  
Am A G  
Oh you are not  
F  
Useless  
G  
We are just

Am G Em F  
Misguided ghosts  
Am G Em F  
Traveling endlessly  
Am G Em F  
The ones we trusted the most  
Am G Em F  
Pushed us far away  
Am G Em F  
And there's no one road  
Am G Em F  
And we should not be the same  
Am G Em F  
But I'm just a ghost  
Am G Em F  
And still they echo me

Em F  
They echo me in circles

( Am A Am A G Em G Em ) (2x)
