Paramore - Misguided Ghosts

Tom: C
Intro: Am A Am A G Em G Em

Am A
I'm going away for a while
Am A G
But I'll be back, don't try to follow me
Em
'cause I'll return as soon as possible
Am A
See I'm trying to find my place
Am A G
But it might not be here that I feel safe
Em
We all learn to make mistakes

Am A
And run
G
From them
F
From them

G
With no direction
Am A G F
Run from them , from them
G
With no conviction

Am G Em F
I'm just one of those ghosts
Am Em G F
Travelling endlessly
Am G Em F
Don't need no road
Am Em G F
In fact they follow me
G F
And we just go in circles

Am A
But now I told that this life
Am A G
And pain is just a simple compromise
Em
So we can get what we want out of it
Am A
Would someone care to classify,
Am A
A broken hearts and twisted minds
G Em
So I can find someone to rely on

Am
And run
A G F
To them , to them
G
Full speed ahead
Am A G
Oh you are not
F
Useless
G
We are just

Am G Em F
Misguided ghosts
Am Em G F
Traveling endlessly
Am G Em F
The ones we trusted the most
Am Em G F
Pushed us far away
Am G Em F
And there's no one road
Am Em G F
And we should not be the same
Am G Em F
But I'm just a ghost
Am Em G F
And still they echo me

Em F
They echo me in circles
