Paramore - Running Out Of Time

```
                     tom:
                     Gbm
Intro: Gb  D  Gb  D
```

[Primeira Parte]

```
Gb
   Said I was gonna take some flowers to my neighbor
     D
But I ran out of time
Gb
   Didn't wanna show up to the party empty-handed
     D
But I ran out of time
Gb
   Said I'd walk the dog a little further than the driveway
tonight

The extra mile
Gb
   Thought I'd send a card with my condolences
       D
But, damn, I just ran out of time
```

[Pré-Refrão]

```
Gb                        D
Intentions only get you so far
Gb                        D
What if I'm just a selfish prick; no regard?
```

[Refrão]

```
Gb D                          Gb   D
    I'm always running out of time
Gb D                          Gb   D
    I'm always running out of time
```
[Segunda Parte]
```
Gb                                           D
   Nevermind, I hit the snooze on my alarm twenty times

But I was just so tired
Gb
   There was traffic, spilled my coffee, crashed my car
      D
Otherwise woulda been here on time
Gb                                  D
   Shoulda, coulda, wouldn't matter, ultimate alibi
```
You know it's a lie

```
                          Gb
There was a fire (Metaphorically)
                         D
Be there in five (Hyperbolically)
```

[Pré-Refrão]

```
Gb                        D
Intentions only get you so far

(It was on my list, I swear I meant to get to it)
Gb                        D
A harsh reality to discover
```

[Refrão]

```
                          D
Gb D                          Gb
    I'm always running out of time
   D
(She's always running out of time)
Gb D                          Gb   D
    I'm always running out of time

( Gb  D  Gb  D )
```

[Ponte]

```
Gb
Why we gotta be in a rush?
                          D
My watch is just for decoration
Gb
Look, I showed up early for once
                      D
Now that's a new sensation
```

[Refrão]

```
Gb D                          Gb D
    We're always running out of   time

(She's always running out of time)
Gb D                          Gb   D
    I'm always running out of time
Gb D                          Gb
    I'm always running out of time
D                              Gb
(She's always running out of time)
           D
(Out of time)
                              Gb   D
I'm always running out of time
```
