

Paramore - Still Into You

Tom: F

F
Can't count the years one hand
That we've been together
I need the other one to hold you.
Make you feel, make you feel better.
F
It's not a walk in the park
To love each other.
But when our fingers interlock,
Can't deny, can't deny you're worth it

Bb
Cause after all this time.
C F
I'm still into you

Bb C
I should be over all the butterflies
F
But i'm into you (I'm in to you)
Bb C
And baby even on our worst nights
F
I'm into you (I'm into you)
Bb C
Let em wonder how we got this far
Dm F
Cause I don't really need to wonder at all
Bb
Yeah after all this time
C F
I'm still into you

F
Recount the night that I first
Met your mother
Dm
And on the drive back to my house
I told you that, I told you that I loved ya.
F
You felt the weight of the world
Fall off your shoulder
Dm
And to your favorite song
We sang along to the start of forever
Bb
Cause after all this time.

C F
I'm still into you

Bb C
I should be over all the butterflies
