Bb Db Gb  
Broken bottles under childrens feet,  
Bb Db Gb  
Bodies thrown across the dead-end street.  
Bb Db Gb  
But i won't hear the battle call,  
Bb Db Gb  
It puts my back up puts my back up against the wall.

Bb Db Gb  
And the battles just begun,  
Bb Db Gb

There's many lost but tell me who has won?  
Bb Db Gb  
The trenches dug within our hearts,

And mothers children, brothers sisters torn apart!

One fact is fiction and TV reality.  
Bb Db Gb  
And today the millions cry,  
Bb Db Gb  
We eat and drink while tomorrow they die.

(Bb Db Gb )  
I wipe the tears from your eyes  
I wipe your tears away  
I wipe your tears away  
I wipe your tears away  
I wipe your bloodshot eyes
