

Paramore - We Are Broken

Tom: C

C Em
I am outside

G C
And I've been waiting for the sun

Em
With my wide eyes

G C
I've seen worlds that don't belong

Em G C
My mouth is dry with words I cannot verbalize

Em G
Tell me why we live like this

C Em D
Keep me safe inside

C
Your arms like towers

Em D
Tower over me, yeah

Em G
Cause we are broken

D
What must we do to restore

Em G
Our innocence

D C
And oh, the promise we adored

Em
Give us life again

C Em G
Cause we just wanna be whole

C Em
Lock the doors

G
Cause I like to capture this voice

C Em
It came to me tonight

G C
So everyone will have a choice

Em
And under red lights

G C
I'll show myself it wasn't forged

Em
We're at war

G
We live like this

C Em D
Keep me safe inside

C
Your arms like towers

Em D
Tower over me

Em G
Cause we are broken

D
What must we do to restore

Em G
Our innocence

D C
And oh, the promise we adored

Em
Give us life again

C Em G
Cause we just wanna be whole

(Bb F C) (2x)

Bb F C (F)
Tower over me

Bb F C D
Tower over me

D
And I'll take the truth at any cost

Em G
Cause we are broken

Our innocence

D C
And oh, the promise we adored

Em
Give us life again

Cause we just wanna be whole
