

# Paramore - When It Rains

Tom: Eb  
Intro: 1 - 2x: Cm  
Intro: 2: Ab Cm Eb Ab Bb Cm (2x)

And when it rains,  
On this side of town it touches,  
Everything.  
Just say it again and mean it.  
We don't miss a thing,  
You made yourself a bed at the botthe of the blackest hole  
And convinced yourself that  
It's not the reason you don't see the sun anymore  
And oh, oh, how could you do it?  
Oh I, I never saw it coming.  
Oh, oh, I need an ending.  
So why can't you stay  
Just long enough to explain?  
( Cm )  
And when it rains,  
Will you always find an escape?  
Just running away  
From all of the ones who love you,  
From everything  
You made yourself a bed at the botthe of the blackest hole

And you'll sleep 'til May  
And you'll say that you don't want to see the sun anymore  
And oh, oh, how could you do it?  
Oh I, I never saw it coming.  
Oh, oh, I need an ending.  
So why can't you stay  
Just long enough to explain?  
Take your time.  
Take my time.  
Take these chances to turn it around.  
And take these chances, we'll make it somehow  
Take these chances to turn it around.  
Just turn it around.  
And oh, oh, how could you do it?  
Oh I, I never saw it coming.  
And oh, oh, how could you do it?  
Oh I, I never saw it coming.  
And oh, oh, how could you do it?  
Oh I, I never saw it coming.  
Oh, oh, I need an ending.  
So why can't you stay  
Just long enough to explain?  
You can take your time, take my time.
