

Paramore - When It Rains

tom:

Intro: G Bm D A
G Bm D A Bm

And when it rains
On this side of town it touches, everything
Just say it again and mean it
We don't miss a thing, You made yourself a bed
At the bottom of the blackest hole
And convinced yourself that
It's not the reason you don't see the sun anymore

And oh, oh, how could you do it?
Oh I, I never saw it coming
Oh, oh, I need the ending
So why can't you stay
Just long enough to explain?
(Bm)

And when it rains
Will you always find an escape?
Just running away from all of the ones who love you
From everything. you made yourself a bed
At the bottom of the blackest hole
And you'll sleep 'til May

And you'll say that you don't want to see the sun anymore
And oh, oh, how could you do it?
Oh I, I never saw it coming
Oh, oh, I need the ending
So why can't you stay
Just long enough to explain?
Take your time
Take my time
Take these chances to turn it around
Take these chances, we'll make it somehow
And take these chances to turn it around
Just turn it around
And oh, oh, how could you do it?
Oh I, I never saw it coming
And oh, oh, how could you do it?
Oh I, I never saw it coming
And oh, oh, how could you do it?
Oh I, I never saw it coming
Oh, oh, I need the ending
So why can't you stay
Just long enough to explain?
You can take your time, take my time
