

# Paramore - When It Rains

tom:

Intro: G Bm D A  
G Bm D A Bm

And when it rains  
On this side of town it touches, everything  
Just say it again and mean it  
We don't miss a thing, You made yourself a bed  
At the bottom of the blackest hole  
And convinced yourself that  
It's not the reason you don't see the sun anymore

And oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh, I need the ending  
So why can't you stay  
Just long enough to explain?  
( Bm )

And when it rains  
Will you always find an escape?  
Just running away from all of the ones who love you  
From everything. you made yourself a bed  
At the bottom of the blackest hole  
And you'll sleep 'til May

And you'll say that you don't want to see the sun anymore  
And oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh, I need the ending  
So why can't you stay  
Just long enough to explain?  
Take your time  
Take my time  
Take these chances to turn it around  
Take these chances, we'll make it somehow  
And take these chances to turn it around  
Just turn it around  
And oh, oh, how could you do it?  
Oh I, I never saw it coming  
And oh, oh, how could you do it?  
Oh I, I never saw it coming  
And oh, oh, how could you do it?  
Oh I, I never saw it coming  
Oh, oh, I need the ending  
So why can't you stay  
Just long enough to explain?  
You can take your time, take my time
