

# Parsonsfield - Weeds Or Wildflowers

Tom: G

Intro 2x: G Bm C D

Verse 1:

Well i came alone to find a little piece of mind  
 Neglected all my duties stepping off that straightened line  
 Now i just sit at my front door filled with inner lakes and sounds  
 It's like i'm watching the weeds grow on my brow

And i had pure potential and a soiled white shirt  
 With love enough to kill me but was unsure of its worth  
 And though the night is sweetened by some rising of the moon  
 I've lived enough to know the battle's never through

Refrão:

You pass something down, no matter where or how  
 Well there'll be weeds or wildflowers fixed upon your brow  
 And there's a crooked burning cigarette rolling on your tongue  
 Will there be weeds or wildflowers when you're done

( G Bm C D )(2x)

Verse 2:

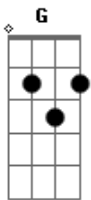

Whenever you travel to the desert or travel to the sea  
 Looking out on the horizon asking what you made of me  
 And as we all hang around with our freedom of mind  
 As all of our branches entwine  
 And as i watch the brick erode within a day  
 The leaves changing colors and the barrowfuls of hay  
 And as a blade of sunshine cuts across my chest  
 The blood beneath boils with unrest

Chorus:

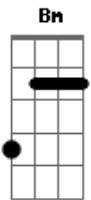

G Bm C D  
 La la la la laaa x2  
 G Bm Em C D  
 La la la la laaa x2

Pushed around by the wind and the worthless little thing  
 But the world can feel the changes of a butterfly's wings  
 And so that crooked burning cigarette rolling on your tongue  
 Will leave be tweeds before your flowers when yet have sprung  
 Will there be weeds or wildflowers when you're done
