

Passafire - Feel It

Tom: Ab

(intro 2x) Fm Eb Bbm Fm

Fm Eb
I try. I've tried but still no luck, but I know one thing is right

Bbm Fm
My life, oh my sweet life is an open book, is an open book

So I ask myself...

Ab Eb Bbm
When it comes to the end, does anyone want to read it again

Fm
Or throw it back upon the shelf?

Ab
This is the story of yourself

Eb Bbm
So if you feel it, you've got to really feel it

Fm
You've got to hold on, hold on

Fm Bbm
I write this today just to tell you that it's okay

To pray for the people that you love

Whether or not you think there is a god above

Bbm
It's inside us, even if you're a fighter

Fm
Got to recognize the eternal fire within

Within your soul

Fm
When you think that you have everything that you need

Eb
Someone takes it away and your left on your knees

You get by begging change, the police know your name

but it's the same thing again and again

Bbm
When you reach to the sky, come up with dirt in your hand

When you see it with you eye you can't believe it man

Fm
They've got a solution for every problem

And you just want to rob them again

Ab Eb Bbm
So if you feel it, you've got to really feel it

Fm
You've got to hold on, hold on

Ab Eb Bbm
So if you feel it, you've got to really feel it

Fm
You've got to hold on, hold on

(Instrumental dub)

Ab Eb Bbm
So if you feel it, you've got to really feel it

Fm
You've got to hold on, hold on
