

Passenger - Catch In The Dark

Tom: Db

(com acordes na forma de C)
 Capostrate na 1ª casa
 Intro: C Em F7M C Am Em F7M G

Well she calls me up when she's broken
 says to leave my front door open
 I come home to find her smoking
 with her eyes all fragile and thin

She's always been hopeless at hoping
 always coped badly with coping
 I never know when she's joking
 She never lets anyone in

Refrão:

I know I'm a fool to let her
 run away with my heart
 but she'll never tire
 of these games

Loving her is like playing
 catch in the dark
 I'm a teardrop in an ocean
 of flames

(C Em F7M C Am Em F7M G)

And we'll drink too much for a wednesday

she asks me why none of her men stay
 and I tell her just what her friends say
 it never goes down too well

We should stay here till late in the evening
 but she is always arriving or leaving
 She never decides to believe in
 the people who know her so well

Refrão

I know I'm a fool to let her
 run away with my heart
 but she'll never tire
 of these games

Loving her is like playing
 catch in the dark
 I'm a teardrop in an ocean
 of flames

Ponte:

She says if we're still single at 40
 we'll get married and move to the country
 but I know she'll never want me

And it's 5:15 in the morning
 I reach for her whilst I'm yawning
 she leaves me with no warning
