Tom: E

(com acordes na forma de C )

Capostrate na 4ª casa

Intro: Am Dm G C Am  
Dm E Am Bm Am

Do you remember how this first begun?  
Teeth were white and our skin was young  
Eyes as bright as the Spanish Sun  
We had nothing we could hide

Now my dear we are two golden leaves  
Clinging desperately to winter trees  
Got up here like a pair of thieves  
While the sirens blare outside

What's left to say when every word's been spoken?  
What's left to see when our eyes won't open?  
What's left to do when we've lost all hope and  
What's left to break when our hearts are broken?

But sometimes...

Do you remember how this started out?

So full of hope and now we're filled with doubt  
A dirty joke we used to laugh about  
But it's not funny anymore

I fear I choke unless I spit it out  
Still smell of smoke, although the fire's gone out  
Can't live with you, but I die without  
( Am Bm Am )

What's left to say when every word's been spoken?  
What's left to see when our eyes won't open?  
What's left to do when we've lost all hope and  
What's left to break when our hearts are broken?

But sometimes...

What's left to say when every word's been spoken?  
What's left to see when our eyes won't open?  
What's left to do when we've lost all hope and  
What's left to break when our hearts are broken?

But sometimes...
