

# Passenger - Hell Or High Water

tom:  
 [Refrão]  
 Was it the trick of the light?  
 Or a shot in the dark?  
 Was it hell or high water that broke our hearts?  
 Was it something I said?  
 Or just a cruel twist of fate?  
 Was it hell or high water and is it too late?  
 Oh, is it too late?

( Em G D C )

[Primeira Parte]

Man, all my life I've been  
 Searching for someone, to show me how it feels to be loved  
 And how to love somebody back

[Pre-Refrão]

And after stumbling through the years  
 I thought I found you, just to see you fading out into the night

[Refrão]

Was it the trick of the light?  
 Or a shot in the dark?  
 Was it hell or high water that broke our hearts?  
 Was it something you said?  
 Or just a cruel twist of fate?  
 Was it hell or high water and is it too late?  
 Oh, is it too late?

[Segunda Parte]

See, all my life I've been  
 Silently reaching for  
 A hand to hold, to warm the cold. Spark a light,

To guide me through, alright?  
 [Pre-Refrão]  
 And after stumbling through the years  
 I thought I found you, just to see you fading out into the night

[Refrão]

Was it the trick of the light?  
 Or a shot in the dark?  
 Was it hell or high water that broke our hearts?  
 Was it something we did?  
 Or just a cruel twist of fate?  
 Was it hell or high water and is it too late?

[Interlúdio]

Hey, hey  
 Hey, hey  
 Hey, hey  
 Hey, hey

[Ponte]

Was it a knife in my back?  
 Or a fork in the road?  
 Was it hell or high water that left us alone?  
 Is it really game over?  
 Is it really checkmate?  
 Was it hell or high water and is it too late?  
 Oh, is it too late?

[Final]

Was it the trick of the light?  
 Or a shot in the dark?  
 Was it hell or high water that broke our hearts?
