They say home is where the heart is  
but my heart is wild and free

So am I homeless

Or just heartless?

Did I start this?

Did it start me?

( Am G C G F )

They say fear is for the brave

For cowards never stare it in the eye

So am I fearless to be fearful

Does it take courage to learn how to cry?

So many winding roads

So many miles to go

( Am G C Am F C )

And oh

Oh they say love is for the loving

Without love maybe nothing is real.  
So am I loveless, or do I just love less

Oh since love left

I have nothing left to fear

So many winding roads

So many miles to go

When I start feeling sick of it all

It helps to remember I'm a brick in a wall

who runs down from the hillside to the sea

when I start feeling that it's gone too far

I lie on my back and stare up at the stars

I wonder if they're staring back at me

Oh when I start feeling sick of it all

It helps to remember I'm a brick in a wall

who runs down from the hillside to the sea

when I start feeling that it's gone too far

I lie on my back and stare up at the stars

I wonder if they're staring back at me
