Refrão:

Well, you only need the light

When it's burning low

Only miss the sun

When it's starts to snow

Only know you love her

When you let her go

Only know you've been high

When you're feeling low

Only hate the road

When you're missin' home

Only know you love her

When you've let her go

And you let her go

Staring at the bottom of your glass

Hoping one day you'll make a dream last

Maybe one day you'll understand why

Everything you touch

Surely, it dies

When it's burning low

Only miss the sun

When it's starts to snow

Only know you love her

When you let her go

Only know you've been high
