Well grey clouds wrapped round the town like elastic
 Cars stood like toys made of Taiwanese plastic
 The boy laughed at the spastic dancing around in the rain
 While laundrettes cleaned clothes, high heels rub toes
 Puddles splashed puddles of bus stop crows
 Dressed in their suits and their boots well they all
 look the same

I took myself down to the cafe to find all the boys lost in
 books
 and crackling vinyl
 And carved out a poem above the urinal that read
 Don't you cry for the lost
 Smile for the living
 Get what you need and give what you're given
 Life's for the living so live it
 Or you're better off dead
 (Dm C G C Em7 Am)
 (Dm C G G G)

While the evening pulled the moon out of it's packet
 Stars shone like buttons on an old man's jacket
 We needed a nail but we tacked it 'til it fell of the wall
 While pigeon's pecked trains, sparks flew like planes
 The rain showed the rainbows in the oil stains
 And we all had new iPhones but no one had no one to call

And I stumbled down to the stomach of the town
 Where the widow takes memories to slowly drown
 With a hand to the sky and a mist in her eye she said
 Don't you cry for the lost
 Smile for the living
 Get what you need and give what you're given
 Life's for the living so live it
 Or you're better off dead
 (Em F C Em7 Am)
 (Em G G G)

Well I'm sick of this town, this blind man's forage
 They take your dreams down and stick them in storage
 You can have them back son when you've paid off
 your mortgage and loans
 Oh hell with this place, I'll go it my own way
 I'll stick out my thumb and I trudge down the highway
 Someday someone must be going my way home

Till then I'll make my bed from a disused car
 With a mattress of leaves and a blanket of stars
 C7 C C7
 And I'll stitch the words into my heart with a needle and
 thread
 Don't you cry for the lost
 Smile for the living
 Get what you need and give what you're given
 You know life's for the living so live it
 Or you're better off dead

Don't you cry for the lost
 Smile for the living
 Get what you need and give what you're given
 Life's for the living so live it
 Or you're better off dead
