

Passenger - Restless Wind

tom:
 Capotraste na 6ª casa
 Intro: G Bm C Cm
 G D Em Am D7

[Primeira Parte]

Where, hello there restless wind
 It's been a long time
 Since you've blown through
 The streets I really don't mind
 If you pick me up off my feet
 Just one last time
 And take me
 Where you've gotta go

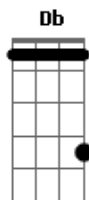

[Segunda Parte]

I've been tied to a mass
 Anchored to a shore
 Buried in the earth
 Rooted to the floor
 As long as you're willing
 Then I'll be sure
 To go with you
 Where you've gotta go
 Oh I don't mind
 Where it is we go
 (G Bm C Cm)
 (G D Em Am D7)

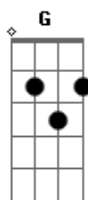

[Terceira Parte]

From Northumberland's hills
 To Yorkshire and her moors

The mountains of North Wales
 To the Cornish shores
 As long you are mine
 Then I'll be yours
 I'll go with you
 Where you've gotta go

[Quarta Parte]

We'll leave England's green
 Her old country lanes
 over yellow fields of France
 To the beaches of Spain
 As long as you promise
 To take me home again
 I'll go with you
 Where you've gotta go
 Oh I don't mind
 Where it is we go

[Ponte]

Just take me from here
 Take me somewhere I can disappear.
 Oh take me anywhere my dear
 Oh and carry me away
 Take me from this dark and lonely day
 Oh Restless wind

Will you blow my way
