[Primeira Parte]
Where, hello there restless wind
     Bm
It's been a long time
Since you've blown through
              Cm
The streets I really don't mind
If you pick me up off my feet
Just one last time
    Am
And take me
                    D7
Where you've gotta go
[Segunda Parte]
I've been tied to a mass
Anchored to a shore
Buried in the earth
Rooted to the floor
              D
 As long as you're willing
Then I'll be sure
  Am
To go with you
Where you've gotta go
Oh I don't mind
Where it is we go
( G Bm C Cm )
( G D Em Am D7 )
[Terceira Parte]
From Northumberland's hills
   Bm
