Intro: C F7M Am7 G C G

Refrão:  
C F7M  
So sing, sing at the top of your voice  
Am G C G  
Love, without fear in your heart  
C F7M  
Feel, feel like you still have a choice  
Am G C,G  
If we all light up we can scare away the dark

Verse:  
C  
We wish our week days away, spend our weekends in bed  
F7M  
We drink ourselves stupid and work ourselves dead  
C G Am G  
and all just because that' what mom and dad said we should do  
C  
We should run through the forests, we should dance/swim in the streams  
F7M  
We should laugh we should cry we should love we should dream  
Am G  
We should stare at the stars, and not just at (these) screens  
C G  
You should hear what saying and know what it means to sing

Refrão:

Am G C,G  
Love, without fear in your heart  
C F  
Feel, feel like you still have a choice  
Am G  
C, G  
If we all light up we can scare away the dark

Verse:  
C'  
Yeah we wish we were happier, thinner and fitter  
F7M  
We wish we were losers and liars and quitters,  
Am' G'  
We want something more than just nasty and bitter  
F7M G'  
We want something real, not just hashtags and twitter  
C

It' the meaning of life. and it' streams live on youtube  
F7M  
but I bet Gangnam style still get more views  
Am G  
weâ??re scared of flying, and swimming and shooters  
F7M G  
but were all slowing dying in front of f computers

C, G  
If we all light up we can scare away the dark

Verse:  
C  
and the tv and papers, they fill us with fear  
F7M  
the icecaps are melting and Al-Qaeda is here  
Am G  
C G  
now every curtain twitching, suburban is scared of every man  
C  
that' wearing a turban  
C  
you see, the unknown breeds fear, and fear breeds hatred  
F7M  
and hatred is everything that darkness created  
Am G  
when it came in the night, and it strangled the hope  
C G  
so let' open the windows and turn on the light
