

# Passenger - Staring At The Stars

Tom: E

(com acordes na forma de Capostrate na 4ª casa C )

Tobacco stains our yellow teeth  
 And all our fingers and underneath  
 Our fingernails that clasp on sheets  
 And we try desperately to sleep  
 Hearts are sad and eyes are tired  
 And all this red bull keeps us wired  
 It gives us wings  
 It gives us rings around our eyes  
 We put three sugars in our tea  
 Sit to watch day time t.v  
 And laugh at mums who don't know who the father is  
 And all our girlfriends are long gone  
 We watch too much internet porn  
 Who needs love when you've got silicone and strap ons  
 C Em C Em  
 And beer bloats our spoilt guts  
 And shit jobs keep us in ruts  
 And keep us eyeing up the what's and if's and but's and maybe's  
 and  
 Falling over in the street  
 Is just a part of every week  
 And we lie drunkenly just staring at the stars

Remember when they were in reach  
 And all the teachers used to teach  
 You can do anything if you put your mind to it  
 We put our minds to it all  
 But disappointment crashed the ball  
 We could've done anything  
 We just never quite knew it so  
 Tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night  
 Repete  
 Oh oh so tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night  
 Tie your scarf on tight  
 Its to be a cold night
