Capostrate na 3ª casa

A **E**
Well I am the boy who cried wolf
C **G**
And I know I've lied in the past
A **E** **C** **G**
But last night I saw his yellow eyes shining in the dark
A **E**
Yeah I know I've spun tales with his voice
C **G**
And I open my mouth too fast
A **E** **C** **G**
But last night I saw his footprints in the path
Em **C** **G**
Well I could swim every sea from south pole to north
Em **C** **G**
But I know I'll only ever be the boy who cried wolf

A **E**
Well I am the shepherds only son
C **G**
And I know what a joke I've become;

A **E** **C** **G**
I have an honest heart but I have lies on my tongue
A **E**
I don't know how this started or where it came from
C **G**
And you have no reason and I have no proof
A **E** **C** **G**
But this time I swear, I'm telling the truth
A **E**
I saw that old wolf, from tail to tooth
C **G**
And I know that he's hungry and he's coming down too
Em **C** **G**
Well I could swim every sea from south pole to north
Em **C** **G**
And I could climb every tree, and scale every coarse
E **C** **G**
Well I could tell only the truth from this day forth
Em **C** **G**
But I know I'll only ever be the boy who cried wolf
Em **G**
Oh, oh I am the boy who cried wolf
Em **C** **G**
Oh, I am the boy who cried wolf
