

Passenger - The Boy Who Cried Wolf

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Well I am the boy who cried wolf
 And I know I've lied in the past
 But last night I saw his yellow eyes shining in the dark
 Yeah I know I've spun tales with his voice
 And I open my mouth too fast
 But last night I saw his footprints in the path
 Well I could swim every sea from south pole to north
 But I know I'll only ever be the boy who cried wolf

Well I am the shepherds only son
 And I know what a joke I've become;

I have an honest heart but I have lies on my tongue
 I don't know how this started or where it came from
 And you have no reason and I have no proof
 But this time I swear, I'm telling the truth
 I saw that old wolf, from tail to tooth
 And I know that he's hungry and he's coming down too
 Well I could swim every sea from south pole to north
 And I could climb every tree, and scale every coarse
 Well I could tell only the truth from this day forth
 But I know I'll only ever be the boy who cried wolf
 Oh, oh I am the boy who cried wolf
 Oh, I am the boy who cried wolf
