

Passenger - The Wrong Direction

Tom: F

^{Bb} When i was a kid the things i did were hidden under the grid
^C Young and naive, i never believed that love could be so well hid
^{Bb} With regret I'm willing to bet they say 'the older you get
^C It gets harder to forgive and harder to forget
^{Bb} It gets under your shirt like a dagger at work
^C The first cut is the deepest but the rest still flippin' hurt
^{Bb} You build your heart of plastic, you're cynical and sarcastic
^C and you end up in the corner on your own

^{Bb} 'Cos I'd love to feel love, but i can't stand the rejection
^C I hide behind my jokes as a form of protection
^{Bb} I thought i was close, but under further inspection
^C It seems I've been running, in the wrong direction, oh no

Filler - Bb F C Dm x2

^{Bb} What's the point in getting your hopes up, when all you're ever getting is

^F choked up?

^C When you're coked up, and can't remember the reason why you broke up

^{Bb} You'll call her in the morning when you're coming down and falling

^C Like an old man on the side of the road

^{Bb} When you're apart, you don't wanna mingle

^F When you're together you wanna be single

^C Ever the chase to taste the kiss of bliss that made your heart tingle
^{Bb} How much greener the grass is

^F Through those rose tinted glasses

^C And the butterflies that flutter by and leave us on our arses

^{Bb} 'Cos I want to feel love, but i can't stand the rejection
^C I hide behind my jokes as a form of protection

^{Bb} I thought i was close, but under further inspection
^C It seems I've been running, in the wrong direction

^{Bb} There's fish in the sea for me to make a selection
^C I'd jump in, if it wasn't for my ear infection

^{Bb} All I really want is just to make a connection
^C But it seems I've been running in the wrong direction, oh no
