

Pat Green - Headed Home

Tom: E

You drink one for you memories, you drink one for yourself,
you drink one for the family

last time you saw um' was a long time ago.

I sing one for the children, sing one for the miles. Sing one
for those pretty green eyes

Im headed home baby got a long way to go

Sing me to sweet sweet city

Let your highway be a lullaby

Nothing in my pocket but fortune do I know

Im headed home baby got a long way to go

Verse 2

Say a little prayer in the morning, pray for those you left
behind

Your heart starts to break and the sun goes down.

Im headed home baby got a long way to go

Chorus 2

Sing me to sleep little darlin'
and do that little dance for me
Nothing in my pocket but fortune do I know
Im headed home momma got a long way to go

Bridge

I would be there by the mornin'
and I don't know what makes me leave anyway, anyway, anyway

Chorus 3

And God I miss you little darlin'
Save that little dance for me
Nothing in my pocket no fortunes do i know
Im headed home baby got a long way to go

It's good to be home, it's good to be home
Headed home baby got a long way to go

Acordes
