

# Pat Green - Holdin' On

Tom: G  
Intro: C G 4x

Verse 1:  
C G  
Cigarettes and a lighter,  
C G  
Lonely woman swinging door,  
C G  
Broken pieces of a broken love affair,  
C D  
I guess we've seen all that before.  
C G  
Tonight she stares to the darkness,  
C G  
Welcomes it back home again.  
C G  
She'll cry every night til the day that she dies  
Am C D G  
If she don't find out how to let love in.

Chorus 1:  
C D G  
I need somebody to save me,  
C D G  
I need to learn how to fly.  
C D G  
A walk on the clouds with the angels,  
C D G

Laugh when the devil cries.  
C D G  
I've got to take my chances,  
C D G C D  
Spend my nights in wild romances and hold on to what's  
Am D G  
Holdin' on to me.

Repeat 1/2 Intro

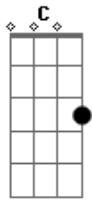

Verse 2:  
C G  
Now doesn't this all seem familiar,  
C G  
You said I took the words from your mouth.  
C G  
Maybe if we sit and talk for awhile,  
C D  
We just might work it all out.  
C G  
And the hardest thing about leavin' is  
C G  
Knowing when a friend is a friend.  
C G  
A couple more drinks and I'll be on my way,  
Am C D G  
Sleeping and down, safe in your arms again.

Repeat Chorus
