

Pat Green - If I Had A Million

Tom: **D**

D Well if I had me a million, build you a mansion **A**
G A hundred miles from nowhere, all a girl could need **A**
D Run around the hallways, and dance in the backyard **A**
G We ain't got no neighbors, ain't no one will see **A**

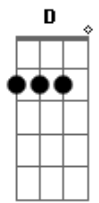

If I had me a speedplane, fly across the land
 Land in some little border town

Drink some margaritas and dance to mariachi
 Put you on my speedplane and I'd bring you on back home

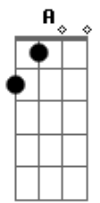

And if I had me a steamboat I'd sail across the ocean blue
 Dock in some little port of call
 We would have a fine time with swiss cheese and french wine
 Put you on my steamboat and I'd bring you on back home

Yeah but I ain't got a million, I ain't got no speedplane
 I ain't got a boat upon the sea
 All I've got our these two strong arms, I can hold you so
 tightly
 So baby won't you won't you please come back home with me
