

Pat Green - It's Time

Tom: E

(com acordes na forma de
Capostrate na 2ª casa
Capo 2

D)

D
Well I think it's about time baby
G
I think it's never been this good
Em
I think it's gonna get a lot better
D
Don't you think we should
D
Well just for grins I bought you these flowers
G
Got a table at the best place in town
Em
There's a shiny little ring in my pocket
A
And it's got me coming unwound

G **Em**
And I've got a secret, I've gotta tell ya
D
Those little things that you do that you don't even know you
do
A
Have got me thinking lately
G **D**
That maybe it's time to jump start forever
G **D**
Maybe it's time to let the good times roll

G **G** **Em**
Maybe it's time that we lay these two hearts down
D
Well maybe it's time

Well I hope to God that I don't crumble
Oh there's a pretty good chance that I will
But it's time for this wily unidentified rambler
To sign the papers and close the deal

Chorus 2:
I've got a secret, that I've gotta tell you
Those little things that you do that you don't even know you
do
Have got me thinking lately
That maybe it's time to jump start forever
Maybe it's time to let your daddy know
Maybe it's time that we lay these two hearts down
Oh maybe it's time (Stay on **Em** on this chorus)

Bridge:
Bm **G**
It's time I shared this in front of God and everyone
Bm **A**
G I don't intend to ever let you go

Chorus 3:
Yeah maybe it's time to jump start forever
Maybe it's time to let everybody know
Maybe it's time that we lay these two hearts down
Maybe it's time that we seal this love we've found
