

Pat Green - Washington Avenue

Tom: G

Oh, when the rain falls on Washington Avenue
 We close our eyes and hold our breath.

That's when I met you so many years ago.
 I fell in love, I ain't forgot yet.

You make the time go by
 Just like it never happened

And I can feel your love down in my soul.
 So take my heart,

And take my life if you want to...

Cause without you, I don't need them at all.

So, goodnight.

Dream of me while you're sleepin',
 Yes, and kiss me when you're leavin with the dawn.

You make the time go by
 Just like it never happened

And I can feel your love down in my soul.
 So take my heart,

And take my life if you want to...

Cause without you, I don't need them at all.

Yes, we'll dance...

Dance our way through our lives

And remember all the rain on

Washington Avenue.
