

Pat Green - Wave On Wave

Tom: D

D D2 D D G A D

Mile upon mile, I got no direction

We're all playin' this same game

We're all looking for redemption

Just afraid to say the name

So caught up now in pretending

That what we're sinkin' in is the truth

I'm just lookin' for a happy ending

All I'm lookin' for is you.

- You came upon me wave on wave,

You're the reason I'm still here, yeah.

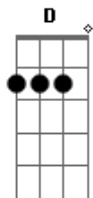

Am I the one you were sent to save?

You came upon me wave on wave. -

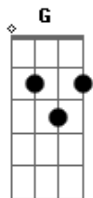

I wandered out into the water,

And I thought that I might drown.

I don't know what I was after

Just now that I was goin' down.

That's when she found me,

I'm not afraid anymore.

She said "You know I always had ya, baby,

Just waitin' for you to find what you were lookin' for."
